Description

Description: ISTRIA, VIŠNجان - Land for the construction of 3 villas with a view of the sea. Višnjan is a picturesque and lively town and municipality in the western part of Istria, between the Mirna River in the north and the Lim Channel in the south and only 14 kilometers from the city of Poreč. Recently, tourism has been developing thanks to the rich cultural and musical events, the colorful gastronomic offer and the untouched nature and proximity to the west coast of Istria. Višnjan is known for the Višnjan Observatory and for the karst phenomenon of this region - the Baredine cave, which is arranged for visits and is very attractive for tourists. The ideal way to discover the surroundings of Višnjan and its natural beauty are bicycle paths, the most famous of which is the 29-kilometer Star Trail, which passes through Višnjan. In Višnjan, this interesting building plot of 2,431 m² with a sea view is for sale! The land is located near the center of Višnjan, which means that all essential amenities are within walking distance. Connections for sewerage and electricity are located on the plot, and water is on the neighboring land. The land is ideal for investment and for the construction of 3 villas with a swimming pool. Considering the lack of building land in Višnjan, this land is a real opportunity! Dear clients, the agency commission is charged in accordance with the General Business Conditions www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 27729
