Description

Description:	<p>ISTRIA, ŽMINJ - Building land on the edge of the village If all roads in Europe lead to Rome, then all roads in Istria lead to Žminj - the heart of Istria. Since ancient times, Žminj has been an important traffic hub, connecting the entire Istrian peninsula. The place is ideal for enjoying nature, hiking or cycling, and on the way through Žminj and its surroundings you will come across many stone houses, each of which tells its own story. Centuries-old Istrian stone houses have been converted into agritourisms, so you can try local Istrian cuisine, and on the last Saturday in August, the traditional Bartulja festival takes place, the biggest folk festival that Istrians and their guests never miss. This building plot is for sale, a few minutes' drive from Žminj. The land has an area of 700 m², is located on the edge of the construction zone and is ideal for building a family home or a villa for rent. The electricity connection is already provided, while the water connection is in the realization phase. It is possible to purchase neighboring construction and agricultural land. Opportunity! Dear clients, the agency commission is charged in accordance with the General Terms and Conditions:</p> <p>www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 27635</p>
