Description

Description: Building land for sale with an active building permit - construction started in the small Istrian town of Trošta. Trošti is a small picturesque village located in the central part of Istria. It is surrounded by beautiful nature with rich forests and meadows. In the village there are several traditional houses made of stone and wood, as well as a church that dates back to the past centuries and many more new villas. Trošti is an ideal place to relax and enjoy untouched nature. The plot is 1115m² in size. The agency commission is charged in accordance with the General Terms and Conditions.
