Description

Description: Medulin - in addition to being a tourist center known for its beaches and campsites, Medulin hides a real natural oasis in the middle of the urban area, a freshwater lake called Medulinska lokva, which is home to a variety of animal and plant species that live there. In this place, where many residents visit every day, because it offers a unique natural oasis, there is a nice apartment (about 40 m²), on the ground floor of a neat and well-maintained building, consisting of an entrance hall, bedroom, bathroom, living room + kitchen and a dining room with access to a paved terrace and garden, which provides a real corner for socializing. Parking space within the building. The apartment is located in one of the most attractive

locations in Medulin, in the immediate vicinity of a variety of amenities, and ten minutes' walk from the first famous beaches and the romantic Medulin promenade with modern accommodation facilities, which are dominated by hotels and campsites. In addition to the mentioned conditions, Medulin offers its visitors many fun outdoor activities that are on the program almost every day during the summer period.
