Description

Description:

A designer smart home is for sale in Funtana, just 100 meters from the sea. It consists of 3 residential units spread over 3 floors (ground floor, first floor, and attic), each with an area of 195 m², totaling 585m². The house is equipped with the latest home management technology (Smart Home): Electric blinds and mosquito nets Thermostats in each room that can be controlled via a mobile device Entrance doors with fingerprint recognition Video and alarm system connected to a mobile device. All apartments have the same layout: three bedrooms with their own bathrooms and walk-in closets, and a living room in an open space concept, connected to the kitchen and dining room. Additionally, the apartments have a guest toilet and a storage room. Heating and cooling are via fan-coil units and underfloor heating. The house is designed with the utmost care and equipped with the highest quality materials. High-quality PVC joinery, sanitary ware, and furniture from the best Italian manufacturers. View: The ground floor apartment has access to a terrace and sunbathing area with a pool and summer kitchen. The first-floor apartment has a beautiful view of the sea and the city from the terrace, and one bedroom has its additional terrace. The attic apartment has the best view of the sea and the city from the terrace and the living room. Garden: On the 506 m² garden, there is a beautiful closed summer kitchen that transforms into an open summer kitchen with a pool and jacuzzi with one click. Below the summer kitchen and pool, there is a pool machinery room and storage. The pool is saltwater and equipped with heating. Also, the pergola on the sunbathing area can be adjusted for shade needs. Three parking spaces are provided. The most important details of the house include: • 100 meters from the sea • New building (2021) • Smart system (video surveillance, alarm) • Invisible entrance doors with fingerprint recognition • Sanitary ware, furniture from top Italian manufacturers • Highest quality PVC joinery • 15 cm thick polystyrene insulation • Energy class A+ Regular and clean ownership! Don't miss the opportunity to become the owner of this exclusive home in beautiful Funtana. Given the attractive location and excellent ROI, it is ideal as an investment for tourism purposes. Poreč and its surroundings are one of the richest tourist areas on the Croatian coast. This beautiful area is located on the western coast of Istria, between green hills and the crystal-clear Adriatic Sea. The city of Poreč, with its old town dating back to ancient times, offers a rich cultural heritage and architecture, with some of the most significant monuments such as the Euphrasian Basilica, which is protected by UNESCO.
