view of the sea from almost every room, and the beaches are only a 2-minute walk away. The apartment consists of a living room connected to the kitchen, two bedrooms, two bathrooms, a storage room, a balcony (29.68m²), and includes one parking space at no additional cost. The buildings are built according to the highest standards, with anti-seismic reinforced concrete construction, fine interior walls and ceilings, and high-quality thermal insulation of the exterior walls. The A+ energy certificate guarantees top energy efficiency. The apartments are equipped with high-quality PVC windows and doors with electric ALU blinds and mosquito nets, as well as modern electrical installations and LED lighting. Heating and cooling is provided by quality air conditioners, while hot water heating is provided by individual boilers. The purchase price does not include real estate sales tax thanks to the investor, a legal entity/company that bears all the costs of transfer and registration of ownership. Our company provides post-construction property management and maintenance services, ensuring worry-free ownership. Sukošan is a place known for tourism, agriculture, viticulture, olive growing and fruit growing, with a rich offer for life throughout the year or as an ideal vacation destination. With numerous beaches, restaurants and the "Dalmacija" marina, Sukošan offers everything you need for a quality and meaningful life or vacation. Do not miss this extraordinary opportunity to buy an apartment in Sukošan, the perfect place where natural beauty meets modern lifestyle.
