There is no direct access to the yard, but it is possible through the neighbor's plot until a private entrance is made possible. The plot consists of two plots, of which the house is on the first and it has 4.42 ares, of which the house takes up 159m² and behind it a long plot continues in the flat of the plot and it has 16.87 ares. Behind the house on the plot there are a couple of outbuildings that are dilapidated and it would be necessary to demolish them. The house is covered with pepper tiles, which are in excellent condition, as are the beams that have not given way.
