Description

Description: We present to you this nice stone house in a row with a total living area of 180 m², which is located in a quiet location near Pićno. The house dates from the 18th century, and is spread over three floors. On the ground floor there is a tavern designed as a wine tasting room, as well as a storage room and a boiler room. The external stairs lead to the first floor, where there is a spacious living room with a dining room and a traditional Istrian fireplace, a kitchen, a bedroom, a bathroom and a beautiful covered terrace with a panoramic view of the beautiful nature. Internal stairs lead to a high attic where there is another bedroom. The house has a yard with an area of 869 m², which is in the construction zone and offers the possibility of building additional facilities, such as a swimming pool. There is also a stone gazebo with furniture, a stone grill and a stone sink. 2 parking spaces
