Description

Description: Labin, Building plot with sea view. The town of Labin is located on the eastern coast of Istria on a hill 320 meters high, only three kilometers from the sea. The nearby Rabac beaches with pearl pebbles and crystal clear sea are famous as the most beautiful in Istria. The building plot is located in the vicinity of Labin (about 18 km away), only 2500 m from the sea with open views. The land has a regular rectangular shape with a slope towards the sea. This land is the last in the construction zone, in front of it is a green zone. From the field there is a wonderful view of the sea and nature. There is an access road to the land, all the necessary infrastructure is nearby, and a septic tank needs to be built for waste water needs. ID CODE: 1537
