## Description

Description: Labin, apartment in a new building. The site of today's picturesque town of Labina, located on a hill 320 meters high, only about 3 kilometers from the sea, was apparently inhabited as early as 2000 BC. Rarely does the wealth of architecture and cultural-historical monuments combine so charmingly with numerous art studios and the breath of youth that gathers there. After a walk through the streets of the Old Town, visit the City Museum with an archaeological and ethnological collection and a model of a coal mine unique in this part of Europe, take a look at the art studios, enjoy the beautiful view from the Fortica of the sea, Kvarner and the islands of Kvarner. Labin, apartment in a new building, located in an excellent location. Walking distance to school, kindergarten, crèche, shopping centers, health center, pharmacy, and children's playgrounds. The apartment is sold unfurnished. Construction is planned until December 2025, and handover until June 2026. Labin, apartment in a new building, is an ideal property for young families due to its close proximity to urban amenities. The price includes VAT and no real estate transfer tax.
