Description

Description:	<p>Building land near Motovun represents an extraordinary opportunity for real estate investment. This spacious land is located in a quiet place with a view of the beautiful nature of Istria. The walking distance to the grocery store makes it convenient for everyday needs, while the proximity to the forest provides an additional sense of peace and privacy. The land has an area of 3970 m² and has a flat and regular shape, which facilitates planning and construction. On the one hand, it is bordered by a forest, providing potential for walks and recreational activities in nature. On the other hand, the neighborhood is family-friendly and consists of vacation homes, which adds to the sense of community and comfort. Considering its size and location, this plot of land offers a variety of investment opportunities. It can be used to build a family home or a holiday home, or even to develop tourist or recreational facilities, such as a pool villa or rural holiday homes. Considering the growing popularity of Motovun as a tourist destination, as well as the increasing interest in real estate in the interior areas of Istria, this land represents an extremely attractive investment opportunity with the potential for long-term growth in value for the development of tourist or recreational facilities, such as a villa with a swimming pool or a holiday home .
