Description

Description: For sale is an exceptionally attractive building plot of land covering 3200 m² located in the idyllic village of Čilipi, just a few kilometers away from Dubrovnik. This land comes with a project for the construction of four luxurious standalone villas, each with its own private pool. The villas are carefully designed according to the traditional Konavle architecture and Mediterranean style, perfectly blending authenticity with modern comforts. The interior and exterior spaces of the villas are tailored to meet the desires and requirements of every buyer, offering a superior standard of living. In addition to its exceptional design, this land offers views of the beautiful surroundings and a peaceful and private atmosphere ideal for relaxation and enjoyment. The condition of sale is compensation for the construction of one villa, providing an excellent opportunity for investors or those seeking an exclusive property in one of the most beautiful regions of Croatia. For any additional information and details about the project, please contact us. Our team will gladly provide you with all the necessary information and assist you in achieving your investment goals.
