Description

Description:	<p>ISTRIA, RABAC (surroundings) - Building plot with sea view On the southeast coast of Istria, where the green hills meet the sea, where nature and heritage meet, there are two towns of similar size but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 meters high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. A building plot of 526 m² is for sale near the towns of Labin and Rabac. The land is located on the stretch from Plomin to Brseč, it is about 10 minutes' walk from the sea and has a view of the sea. It is located next to an asphalted road and all infrastructure is nearby. Ownership in order. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 28382</p>
