Becoming one of the most desirable places for tourist stay and vacation, Novigrad has preserved its irresistible charm of a quiet fishing town, that recognizable, almost intimate atmosphere, so characteristic of small Mediterranean towns. The Novigrad riviera on the west coast of Istria stretches from Dajla to the mouth of the Mirna river, and is adorned with an indented, low and accessible coast of rocky and pebble beaches. Not far from the center of Novigrad, there is a land for sale with a total area of 1119 m², of which 666 m² is in the construction zone, while 453 m² is agricultural area. The land is flat, electricity and water are located next to the land, and the place has city sewerage. An ideal property for building a family home or a house for tourist purposes.
