Description

Description: Valtura is a village located in southeastern Istria, it is well connected to Ližnjan and Pula, and is known for several archaeological discoveries, especially Nezakcij, which is only 2 km from Valtura. Right here, we have for sale an agricultural land located in nature, near the airport, the area of which is 1475 m². Water and electricity connections are located on the road leading to the mentioned plot. There is a possibility of renting! The location is ideal, and at the same time, the distance from the Istrian epsilon enables a quick connection with the rest of the region. An excellent and unique location gives the plot great potential. For more information, call exclusively at +385 98 420 363
