Description

Description:

ISTRIA, LABIN - Comfortable house with pool On the southeast coast of Istria, where the green hills meet the sea, where nature and heritage meet, there are two towns of similar size but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 meters high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. Not far from the town of Labin, a comfortable house with a swimming pool is for sale. It is located in a gentle settlement, surrounded by nature, family houses and holiday homes, offering a perfect balance of rural surroundings and proximity to urban facilities. In addition to its convenient location, the property is characterized by its timeless architectural appearance and spatial organization of the interior. The elegant one-story house consists of an open-concept space that unites the living room, dining room and kitchen with access to a covered terrace, three bedrooms with their own bathrooms, a guest toilet and a laundry room. The floor plan is complemented by a garage with a gallery that has access to the attic. The yard is landscaped and horticulturally decorated, and complete harmony is provided by the swimming pool with the sun deck, next to which there is an open fireplace and a storage room. Given the convenient location, this property is an ideal opportunity for family life or as an investment for rental for tourist purposes. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions: www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 20090
