Description

Description:	<p>The island of Pag is the fifth largest island in the Adriatic Sea by area, but with a coastline of 302.47 km, it is the most indented island in the Adriatic. The island is known for its sparse vegetation coverage in some of its parts, which is often compared to the surface of the moon. The rocky landscape with only a few leaves of aromatic plants being grazed by sheep creates a unique impression. An apartment house for sale on the island of Pag, which contains 7 fully furnished apartments, terraces, balconies, all include air conditioning and new furniture, parking, large barbecue. First row by the sea and beautiful beaches.
