Description

Description:	ISTRIA, RABAC - A house with a panoramic view of the sea On the southeastern coast of Istria, where green hills meet the sea, where nature and heritage come
--------------	--

together, there are two small towns of similar size, but with different but mutually complementary character - Labin and Rabac. Rabac, due to its white pebble beaches, rich Mediterranean vegetation and crystal clear sea, has been called the pearl of Kvarner. Once a small fishing village, today Rabac is an attractive tourist destination that hides a wealth of cultural events in a network of colorful streets. The green surroundings of Rabac and the picturesque hinterland invite you to adventure, research and recreation throughout the year. Not far from Rabac and Labin, there is a house for sale with a panoramic view of the sea. The surface of the house of 104 m² is functionally distributed on two floors; ground floor and first floor, and the view of the sea and Kvarner extends from both floors. The ground floor consists of two bedrooms, a bathroom and a terrace, while on the first floor there is a toilet, a kitchen with a dining room and an open concept living room with access to the terrace. The yard is horticulturally landscaped and fenced. The property is for sale without furniture, with included sanitary facilities, air conditioning, video surveillance and lighting. Hidden within untouched nature near a sea cove, this property is ideal for family living or as an investment for rental for tourist purposes. The seller of the property in question is a legal entity. Dear clients, the agency commission is charged in accordance with the General Business Conditions www.dux-nekretnine.hr/opci-uvjeti-poslovanja ID CODE: 18515
