### Description

Description:	ISTRIA, LABIN - New building with swimming pool On the southeastern coast of
--------------	--

Istria, at the place where the green hills meet the sea, where nature and heritage come together, there are two towns of similar size, but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 m high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. In the vicinity of the town of Labin, a new building with a swimming pool is for sale. It is located in a quiet settlement, only three kilometers from the sea and beaches. The prefabricated house is characterized by quality construction, contemporary architecture and modern design. The living space is clearly defined and used to the maximum. It consists of a living area with a kitchen, a dining room and a living room connected to the outside space by glass walls, two bedrooms, two bathrooms and a storage room. Heating/cooling of the house is provided by air conditioners, and there is an opening for a fireplace in the living room. Next to the house, there is a 21 m<sup>2</sup> swimming pool with a paved sunbathing area and a children's playground in the fenced and landscaped garden. Given the convenient location, this property is an ideal opportunity for family life or as an investment for rental for tourist purposes. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions:
