Description

Description:

Vrbovsko occupies the easternmost part of Gorski Kotar with an area of 280 km². It is inhabited by 5,076 inhabitants and consists of 65 settlements, of which the larger and more famous are: Vrbovsko, Moravice, Lukovdol, Severin na Kupi and Gomirje. In the north, Vrbovsko is separated from neighboring Slovenia by the Kup, and the eastern border continues with the area of Zdihovo, Liplje, Bosiljevo and crosses the Dobra valley near Ljubošina. The successfully developed hospitality industry is still one of the significant economic drivers of the town. Tourism as an activity is increasingly entering the life of the citizens of Vrbovsko. In that area, we are selling a beautiful renovated house with potential and a spacious garden. On the ground floor there is a boiler room, a storage room and a wellness area. On the first floor there is a hallway, living room, kitchen, bathroom, one bedroom and exit to the terrace and garden. On the second floor there is a spacious hallway, three bedrooms and a bathroom. The house is clad in wood and great attention has been paid to aesthetics. The house is fully furnished and has a classification of 8+2. There is also a large party hall next to the house and a wonderful gazebo with a barbecue. Extremely interesting property for all nature lovers for family life or tourist rental. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions.
