Description:

RAB, BARBAT ON THE SEA - Exclusive apartment, 100 meters from the sea! We are selling a rare opportunity for an exclusive apartment just 100 meters from the sea! The property is located in a perfect location on the island of Rab, which is very well connected by ferry lines from the mainland or the island of Krk, but also by boat lines from Rijeka and Zadar. Barbat na moru is a quiet place with beautiful beaches in the south of the island. The apartment is located in a smaller residential building with only three residential units. It is completely furnished on a turnkey basis, and the garden and swimming pool are currently being completed. The apartment is equipped with 5 air conditioners, high-quality ceramics and top-quality carpentry, while the pool is fully equipped with its own boiler room. The two-story apartment consists of four bedrooms, a living room with a kitchen and a dining room, three bathrooms, a spacious terrace and a south-facing balcony with a view of the sea. It belongs to a part of the garden in which there are two parking spaces, a garden and a storage room. The biggest advantage of this property is its location, given its proximity to the sea.
