About us:	Dux nekretnine agency operates with the aim of raising the quality of real estate brokerage to a higher level of professionalism and mutual satisfaction of the parties with which it cooperates. How do we do that? We approach each client humanely and professionally in order to facilitate one of the biggest and most important decisions in life - buying real estate. Our offer includes a wide range of high quality and very attractive properties in the Kvarner, Istria, islands and wider surroundings in order to satisfy the refined tastes of our longtime customers. The buying and selling process takes place at the highest level of quality with our reliability and commitment to each individual client. Our job is not done until we see a smile on the faces of clients. And even then

because we like to stay in touch
even after the contract is signed
- because our mission is more
than just a job.

Description

Description:	ISTRIA, OPRTALJ - Estate with 4 Istrian stone ruins on a large plot Oprtalj is an
--------------	---

Istrian town located on a hill that can be reached from the direction of Motovun via a narrow plateau on the south side. At one time, Oprtalj was a fortress surrounded by walls on which houses were built, among which the former city gates also spring. In front of the door is a large Venetian loggia with a lapidary, and next to it on the high ramparts is a plateau from which the view reaches all the way to the sea. This area is extremely famous for truffles, as well as for good olive oil and wines. Livade, a place within the municipality of Oprtalj, is also called the 'World Center of Truffles', since white and black truffles thrive here, especially along the Mirna River and the Motovun Forest, while at the source of the medicinal water of St. Stjepan, at the foot of the 85-meter high rock, where the nearby Istrian Spa was built. The wonderful landscape, colorful facades and atmosphere that reigns in this small town will win you over completely. In addition to Motovun, Grožnjan is also nearby. Above this Istrian jewel, a spacious estate full of potential is for sale. There are as many as four Istrian stone ruins on the property. The stone houses are connected in a row, and of the four listed, three ruins, each separately, have a floor plan area of 40m². The third stone ruin has a floor plan area of 100m². The area of the garden covers 1871 m². The property is located in a quiet location, surrounded by untouched nature. The ruins, as mentioned earlier, are in a row, that is, they are connected to each other. The area on which they are located is for construction purposes and has a total area of 2011m². All necessary infrastructure, i.e. electricity and water connections, are located on the plot, which has been partially cleared. The access road is paved. The houses were built before 1968. and it is not necessary to obtain a building permit and pay a contribution. A property that offers all the benefits of nature, while only half an hour's drive will take you to the sea. Certainly a beautiful property for a luxurious family life, but also suitable as an investment in the form of elite tourism. A UNIQUE PROPERTY DEFINITELY WORTH YOUR ATTENTION IN A GREAT LOCATION!!! Dear clients, the agency commission is charged in accordance with the General Terms and Conditions:
