Description

Description:	<p>COSTABELLA, BIVIO- building plot 3530m2 with a sea view for a family house / villa / residential building-apartments - apartments / house for rent - holiday with swimming pool The building plot is approx. 320m as the crow flies from the sea, it has an open panoramic view of the sea and the southern orientation. The field is located on a hill. The configuration of the terrain is slightly sloping/has several falling cascades. The terrain is located in a quiet and peaceful position and right next to a road that exists only in the cadastre, but in reality it does not exist, that is, it is very narrow and currently without asphalt. The field is located in the construction area GP-2. Construction is possible upon acceptance of the spatial plan for that area. Clean and tidy property. The terrain is not currently cleared and marked with physical markers/boundaries in reality. The future built property on this plot would have a panoramic open view of the sea, the entire Kvarner Bay and the islands even from the ground floor! This property is 320m away from the sea as the crow flies, or 3 minutes on foot. A good opportunity for investors who are engaged in the construction of residential buildings-apartments-apartments, but</p>
