Description

Description:

ISTRIA, VIŠNJAN - Family house with a large office space Višnjan is located in the interior of western Istria, and it is only 13 km from the first town on the coast, Poreč. The old settlement, whose houses are located on a gentle hill in the green Istrian landscape, had its first inhabitants in antiquity. The mild climate and good soil gave Višnjan excellent vineyards, which is why today this place is one of the centers of agrotourism and a destination marked on the map of the wine roads of Istria. We therefore recommend Višnjan to guests for whom the sea and swimming are not the most important part of their vacation, but who are looking for peace in a place of authentic architecture and rich heritage. If you come to Višnjan, visit the taverns that offer local wine and traditional Istrian cuisine, and use the surroundings for recreation, as the valleys are crisscrossed with paths for walking, cycling and running. At a distance of only 2 km from the center of Višnjan, there is an interesting property for sale with great potential in a beautiful location with a view of the sea and nature. The family house is spread over two floors. The ground floor of 91.05 m² consists of two storage rooms, a bathroom, one large and one smaller room and a boiler room. The garage is an additional area of 15 m². It is necessary to arrange the interior according to the wishes and needs of the new owners. The first floor of the house consists of a decorated, furnished and ready-to-move-in apartment with an area of 91.05 m² and additional area of a large terrace, loggia and balcony (10.60 m² + 4.65 m² + 24.10 m²). It consists of 3 bedrooms, a large living room, kitchen, dining room and bathroom. Three additional buildings belong to this house. - furnished summer kitchen with a fireplace of 31.97 m² - business building with an area of 39.91 m², which consists of two offices, a kitchen, a toilet, a bathroom, a corridor and an entrance hall. - business building - hall, surface area 394.49 m², which is currently rented and used as a warehouse.
