About us: Dux nekretnine agency operates with the aim of raising the quality of real estate brokerage to a higher level of professionalism and mutual satisfaction of the parties with which it cooperates. How do we do that? We approach each client humanely and professionally in order to facilitate one of the biggest and most important decisions in life - buying real estate. Our offer includes a wide range of high quality and very attractive properties in the Kvarner, Istria, islands and wider surroundings in order to satisfy the refined tastes of our longtime customers. The buying and selling process takes place at the highest level of quality with our reliability and commitment to each individual client. Our job is not done until we see a smile on the faces of clients. And even then because we like to stay in touch

even after the contract is signed
- because our mission is more
than just a job.

Description

Description:

ISTRIA, POREČ - Luxury villa with sea view The city of Poreč, one of the most beautiful pearls of the Adriatic Sea, is located on the west coast of Istria. On the relatively small peninsula area where the city arose, traces of the meeting of the Slavic, Romanic and Germanic worlds are still clearly visible today, which at the same time bear witness to the multitude of changes - political, social and ethnic - that this Istrian town has experienced in history. The history of Poreč is a history of constant changes, movement and turmoil, the impermanence of the people, ups and downs, in which the history of new beginnings appears as a constant. This city constantly reveals traces of the life of many civilizations and cultures that built its urban and historical identity. In a quiet environment, only 2.7 kilometers from the sea, a modern luxury villa with a sea view is being built and sold. A villa with a total area of 224.95 m² is located on a plot of 772 m². The ground floor consists of an entrance hall, a toilet, a laundry room, a technical room, a wellness area with a sauna, a kitchen with a dining room and a spacious living room with an open space concept with direct access to a covered terrace with a fireplace and a garden ideal for entertaining and relaxing with friends and family. . In front of the covered terrace there is a swimming pool with a total area of 32 m² with a sun deck where you can enjoy it in the warm summer months. The first floor of this beautiful villa consists of a hallway, four bedrooms with private bathrooms and access to a covered terrace. On the second floor, there is a roof terrace with a view of the sea. Heating and cooling in this modern villa will be through floor heating with a heat pump and air conditioning. The villa has two parking spaces, alarm and video surveillance, 25 cm brick + 10 cm thermal insulation. Carpentry (aluminium, anthracite color, three-layer glass). The planned start of construction is September 15, 2022. This villa represents an excellent opportunity for family life, a luxurious vacation from the stress of city life in the Mediterranean climate or as a financial investment for rental. Dear clients, the agency commission is charged in accordance with the General Business Conditions
