### Description

**Description:**

ISTRIA, LABIN - Modern house with swimming pool On the southeastern coast of Istria, where the green hills meet the sea, where nature and heritage meet, there are two towns of similar size, but with different but mutually complementary characters - Labin and Rabac. The picturesque town of Labin rises on a hill 320 m high, only five kilometers from the white pebble beaches in Rabac. Intertwined with rich history and mining that marked this region, Labin, which was declared an independent republic for a short time, is today a fascinating city of contradictions; old and new, history and present, tourism and art. Near the town of Labin, a modern house with a swimming pool is for sale. This modern new building consists of two floors. On the ground floor there is a living room, a dining room and an open concept kitchen with access to a covered terrace, a toilet and a storage room. Upstairs there are three bedrooms with their own bathrooms and terraces, a study and an anteroom. For heating and cooling, air conditioning inverters and a solid fuel stove were installed. Next to the house there is a swimming pool with a sunbathing area and a barbecue. The yard is completely fenced and horticulturally arranged. Completion of construction and furnishing of the property is expected at the beginning of 2023. This modern newly built house in a quiet neighborhood is an ideal property for family life or as an investment for rental for tourist purposes. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions. <https://www.dux-nekretnine.hr/opci-uvjeti-poslovanja> ID CODE: 16098
