Description

Description:	<p>ISTRIA, PULA - Spacious apartment in the city center! Pula is the largest city of Istria, located in the southwestern area of the impressive landscape of the Istrian peninsula, and is characterized by an interesting cultural and historical heritage, beautiful nature and long beaches that take your breath away. The city developed partly under and partly on seven hills: Monte Zaro, Monte Serpente, Monte Ghiro, Monte Magno, Monte Paradiso, Monte Rizzi and Monte Vidal. This spacious family apartment is located in the very center of the city, on the ground floor of a residential building. It consists of a hallway, a spacious living room, one larger and one smaller bedroom, a kitchen and dining room, and a bathroom. An interesting part of the property is the smaller room, which offers the possibility of being</p>

converted into a business space, for which it was used for some time. The current owners have changed the electricity and water installations and are selling the apartment partially furnished. In the interior of the building itself, there is a small part of the yard, a storage room and one parking space that belong to the apartment. The immediate proximity of all facilities for life such as school, kindergarten, market, post office, bank, etc. make this property extremely attractive and interesting for a new start of family life or if the new owners decide to rent it for tourist purposes precisely because of the location, which we can freely call as the heart of all events, which represents a sure return on investment.
