region. Animal husbandry and olive growing, as well as the exploitation of forest wealth, were also represented. The place is also known for its colorful folk costumes, folklore events, sopela school (Krk's wind instrument) and traditional local cuisine. In this island center, autochthonous stone houses and narrow stone streets that smell of past times prevail. Not far from Dobrinje is the Biserujka cave, which delights with its beauty and interesting precipitated forms. It is the only cave on the island, of which there are more than 50, designed to receive visitors. According to legend, the cave was named Biserujka (pearl) after the treasure found in it, which belonged to local pirates.
