Description

Description:	<p>ISTRIA, ROVINJ Unique house 2nd row to the sea! Unique house for sale in an extraordinary location! It is a refined rustic house that offers 110 m2 of living space and has two external entrances. The property was completely renovated in 2004 - a concrete slab, concrete roof, thermal insulation and waterproofing were installed. The house extends over two floors and is currently used for catering purposes, so for those who want to take over an established business, this property offers the possibility of living and the opportunity for work. An air conditioner and a unique brick fireplace were installed. Since it is used as a restaurant, all inventory is included in the price. The house is located in the very center of Rovinj, in one of the most frequented streets and only 20 meters from the sea, therefore, due to its location and its character, it represents a special opportunity for future owners.
