Description

Description:	On the southeastern coast of Istria, at the place where green hills meet the sea,
--------------	---

where nature and heritage come together, there are two towns of similar size, but with different, but mutually complementary characters - Labin and Rabac, just five kilometers apart. Rabac, due to its white pebble beaches, rich Mediterranean vegetation and crystal clear sea, has been called the pearl of Kvarner. Once a small fishing village, today Rabac is an attractive tourist destination that hides a wealth of cultural events in a network of colorful streets. The green surroundings of Rabac and the picturesque hinterland invite you to adventure, research and recreation throughout the year. Not far from Rabac and Labin in a small settlement by the sea, an apartment house with a sea view is for sale. The spacious house of 438 m² extends through the ground floor and two floors. It consists of six residential units; three two-room apartments and three one-room apartments. Two-room apartments consist of a living room with a dining room and a kitchen, two bedrooms, two bathrooms, a toilet and a terrace. One-room apartments consist of a living room with a dining room and a kitchen, a bedroom, a bathroom, a toilet and a terrace. Every terrace offers a soothing panoramic view of the sea. High-quality materials such as massive marble and natural stone tiles are used in all rooms and wooden parquet in the bedrooms. All apartments are functionally furnished and equipped. Next to the house is a heated swimming pool of 40 m² and a sunbathing area. An excellent business opportunity to take over an established business and achieve a quick return on investment. Dear clients, the agency commission is charged in accordance with the General Business Conditions:
