three bathrooms with toilet, entrance hall and a large covered terrace. The apartment was completely renovated in 2016. PVC joinery and a new facade were installed. The apartment also has two parking spaces and a storage room in the basement. Each apartment has its own separate entrance. Great opportunity! The island of Rab located in the Kvarner Bay in the northern Adriatic is a real paradise for lovers of nature and authentic island atmosphere. Its timeless beauty was recognized in ancient times by the Romans, who called it Felix Arba or Happy Rab. Even today, visitors are attracted by the wonderful nature of the island - from the many sandy beaches on the Lopar peninsula and stunning hidden coves on the Kalifront peninsula to the preserved holm oak forests, fertile valleys and rocky mountain peak Kamenjak which protects in winter. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions.
