Description

Description:

ISTRIA, UMAG - Unique villa with pool, first row to the sea Umag is a town on the west coast of Istria with a Mediterranean climate, and through 45 km of coastline gives the best introduction to a different experience of the Mediterranean. The history of this city is very interesting. It was discovered by Roman nobles and decided to appropriate it as a summer residence. The splendor and splendor of those times are reflected today in the Venetian houses of the old town. The development of tourism is directly related to the development of agriculture - fertile soil is particularly suitable for growing olives, tomatoes and vines and other crops characteristic of the Mediterranean climate. And when it comes to gastronomic offer, there are excellent seafood and meat specialties and local Istrian cuisine. Umag has also been declared the European City of Sports and is traditionally the host of many sporting events around the world, of which the ATP Croatia Open tennis tournament should certainly be singled out. In an exclusive location 30 meters from the sea and 150 meters from the beaches, this beautiful villa in Mediterranean style is for sale, first row to the sea, with outdoor pool, jacuzzi, gym and beautiful garden rich in Mediterranean plants. The villa is fenced with a handmade wrought iron fence. The villa is in a great location for yacht owners and sailing enthusiasts with the ACI marina located in front of the property. The bedrooms and living room have oak floors, and the hallways and kitchens have terracotta tiles or marble floors. The bathrooms consist of quality Italian tiles and sanitary ware. On a plot of 892 m² there is a villa with a total area of approximately 480 m² on two floors.
