Description

Description:

KOSTRENA - Exclusive villa with panoramic views of Kvarner Dux real estate presents this beautiful detached house / villa with panoramic sea views. The house is located on a hill above the beaches of Kostrena and was built on a cascading plot of 1000 m². We start from the garden in which a lot of attention has been paid, so the access road is lined with beautiful stone slabs, and the cascading gardens give a touch of greenery in front of the entrance to the house. In the lower part of the garden there is an outdoor shower, jacuzzi and sun deck, but in agreement with the owner it is possible to make a pool. The upper part behind the house is currently gravel, and there is a garden house, canopy or space for an additional pool, all in agreement with the property owner. On the lower floor, flush with the terrace, there is a space that can serve as a tavern or studio apartment. The house consists of a ground floor where there is a living room, kitchen, dining room, hallway, dressing room, bedroom, bathroom, laundry room, study room and a spacious covered terrace with panoramic sea views. An internal staircase leads to the upper floor where there are two bedrooms, bathroom, hallway, balcony and master bedroom with bathroom and walk-in closet. Heating is underfloor with a thermostat in each room. When you take everything into account, a beautiful property that with a little imagination has the potential to become a unique and unique villa in this area of Kvarner. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions.
