nature and heritage come together, there are two towns of similar size, but with different but mutually complementary character - Labin and Rabac. Rabac, due to its white pebble beaches, rich Mediterranean vegetation and crystal clear sea, has been called the pearl of Kvarner. Once a small fishing village, today Rabac is an attractive tourist destination that hides a wealth of cultural events in a network of colorful streets. The green surroundings of Rabac and the picturesque hinterland invite you to adventure, research and recreation throughout the year. Not far from Rabac and Labin, a house with a view of the old town is for sale. The area of this well-built house is 162 m². It extends through the ground floor and the first floor and is divided vertically into two storeyed residential units with an area of 81 m² each. Both residential units are practically equipped and furnished. On the ground floor, each residential unit has a living room, dining room and kitchen with access to a covered terrace, a bathroom and a spacious storage room, while on the upper floors there are two bedrooms, a bathroom and a terrace. The central place on the fenced and horticulturally arranged garden with an irrigation system is occupied by a 40 m² swimming pool with a sunbathing area. This property is an ideal opportunity for family life or as an investment for rental for tourist purposes.
