Description

Description:	<p>ISTRIA, LABIN - Building land in the city center The town of Labin is located on the eastern coast of Istria through which passes the state road that connects Rijeka and Pula. In terms of age, durability and historical significance, it should have become a metropolis to this day, but it remains a lovely town whose past is a generator of future development - Labin mine, the Underground City project, is the only mine on the sea where +30 meters above sea level infrastructure of inestimable value, completely safe because it is carved in living rock. It is 3 km from the sea and 5 km from the tourist resort of Rabac. On the dominant hill is the Old Town with a view of the Kvarner coast, and at its foot Podlabin where the streets intersect at right angles creating the illusion of perfect order and regularity. In the center of Labin, building land for sale. The spacious land is for business and residential purposes, it is of the correct shape and all the necessary infrastructure is located right next to the field. Great location for investors!
