About us: Dux nekretnine agency operates with the aim of raising the quality of real estate brokerage to a higher level of professionalism and mutual satisfaction of the parties with which it cooperates. How do we do that? We approach each client humanely and professionally in order to facilitate one of the biggest and most important decisions in life - buying real estate. Our offer includes a wide range of high quality and very attractive properties in the Kvarner, Istria, islands and wider surroundings in order to satisfy the refined tastes of our longtime customers. The buying and selling process takes place at the highest level of quality with our reliability and commitment to each individual client. Our job is not done until we see a smile on the faces of clients. And even then

because we like to stay in touch
even after the contract is signed
- because our mission is more
than just a job.

Description

Description:

ISTRIA, ROVINJ - Luxury apartment in a new building overlooking the sea. Rovinj is a romantic Mediterranean, a destination for all those who crave the sentimental atmosphere of time that has passed irrevocably. Rovinj began its romantic life on an island whose cramped space conditioned the construction of compact houses, narrow streets and small squares that are still untouched by modern urbanism. Growing up in its rich fishing tradition, Rovinj has become known for its unique batana boat, bitinada songs but also for spacio, a local version of a tavern or wine cellar where Rovinj people once kept, tasted and resold wine. Today in Rovinj and its surroundings there are the best Istrian restaurants and many interesting tourist attractions. The development of Rovinj is certainly due to the many beautiful beaches and proximity to the sea. In this beautiful place and only a few minutes easy walk to the sea and the old town, a luxury apartment with sea views for sale in a great location. The apartment is located on the first floor of a building with only three residential units and has a total area of 156.71 m². The apartment consists of an entrance hall, two bedrooms with wardrobe and private bathrooms, guest toilet, pantry, open kitchen, dining room and living room with access to a covered terrace with a beautiful view of the sea and Rovinj. The apartment has two outdoor parking spaces. The beginning of works is the 4th month of 2022. The deadline for completion of works is the end of 2023. The spacious apartments are designed in every detail and are built with high quality materials, and the building is also equipped with an elevator. Technical specifications
