exploitation of forest resources. The place is also known for its colorful folk costumes, folklore events, sopela school (Krk wind instrument) and traditional local cuisine. This island center is dominated by indigenous stone houses and narrow stone streets that exude the past. Not far from Dobrinja is the Biserujka cave, which delights with its beauty and interesting sedimentary forms. It is the only cave on the island, more than 50 of them, arranged to receive visitors. According to legend, the cave was named Biserujka (pearl) after the treasure found in it, and it belonged to local pirates.
