Description

Description:	<p>Labin, Kapelica - building land 1734 m2. On the hill above the tourist town of Rabac lies the medieval town of Labin, whose old name Albona was first mentioned in 285 AD. Today it is a cultural and administrative center where the richness of architecture and cultural and historical monuments is rarely combined with many art studios and the breath of youth that gathers here, especially in the evening, in many cafes. A beautiful building plot with a total area of 1734 m2 for sale in a quiet village near Labin, surrounded by several houses and gentle nature. Distance to the center of Labin about 4.5 - 5 km. The land is flat and cleared. Available infrastructure (electricity, water, telephone) is located next to the land. All the necessary urban facilities are in nearby Labin, a few minutes drive away. Very interesting property located a few minutes drive from the city center. Suitable for the construction of a building for rent but also for the construction of a family house for permanent residence.
