Description

Description:	<p>ISLAND OF PAG - Renovated house with sea view The island of Pag is the fifth largest island in the Adriatic Sea, but with a coastline of 302.47 km is the most indented island in the Adriatic. The island is known for its poor vegetation coverage of some of its parts, which is often compared to the lunar surface. The stony landscape with only a few leaves of aromatic plants grazing sheep creates a unique impression. House for sale on the island of Pag with sea view. The house has a tavern and two more floors. It consists of two bedrooms, three bathrooms, living room, kitchen and dining room. Each floor has 33m² with 43m² roof terrace and 4m² front terrace and parking. The adaptation was completed in August 2021. The property is tidy.
