bathroom. The property is decorated in indigenous style. They are located on a plot of 400 m², where there is a swimming pool and barbecue. Parking for 2 cars is provided on the plot across the road which is also owned. Great property for lovers of indigenous atmosphere. The town of Crikvenica is, in fact, a sea riviera. Four small towns in one! The town consists of Selce, Crikvenica, Dramalj and Jadranovo, almost merged into a single series of tourist destinations. They are located along the Adriatic coast, in the Kvarner Bay. Administratively, they belong to the Primorje-Gorski Kotar County, whose headquarters are about 30 kilometers from Rijeka. The city of Crikvenica is not just the mainland. The sea also extends into the waters of the Vinodol Channel, covering an area of about 60 square kilometers. The century-old tourist tradition on the Crikvenica Riviera is a consequence of its excellent geographical position and good road connections. It is so close to visitors from Central Europe that they can reach it by road in one day.
