Description

Description:	ISTRIA, LABIN - House with pool in a quiet location surrounded by greenery On a hill above the tourist town of Rabac lies the medieval town of Labin, whose old name Albona was first mentioned in 285 AD. Today it is a cultural and administrative center where the richness of architecture and cultural and historical monuments is rarely so charmingly combined with numerous art studios and the breath of youth that gathers there, especially in the evening, in numerous cafes. For the second year in a row, Labin justifies the title of the best middle town in Croatia in the category of education, demography and social policy. Only ten minutes drive from the interesting Labin and only 3 km from the first beach is located this spacious house with a total living area of 270 m ² which extends over two floors. It consists of 3 residential units. On the ground floor there is one two bedroom

The garden of this house extends to 1600 m² and contains a swimming pool with a beach. Ideal property for those who want to enjoy solitude, without the city crowds.
