Description

Description:	ISTRIA, MOMJAN - Beautiful villa with pool and panoramic views of nature and
--------------	--

the sea Momjan is an Istrian town with a rich history. It was first mentioned in 1035 in an imperial document, and in the 13th century a Momjan castle was built, which once had four towers, one of which is still preserved today, together with the remains of the old walls. Its microclimate is favorable for the cultivation of olives, fruit trees and vines, which is why Momjan is today called the Muscat Empire. The diverse tourist offer is enriched with a network of roads and paths that allow you to engage in sports activities such as jogging, cycling, horseback riding, off road quad or jeep adventures. The nearest beaches are about 15 kilometers away and you can enjoy the joys of the sea such as swimming, diving, sailing, water skiing, fishing. Along the wine road of the Buje region, renowned winemakers lined up, offering quality Malvasia, Teran, Refošk, Muscat and other types of wine in their wine cellars. On the olive oil roads, one of the best extra virgin olive oils in the world awaits you in special tasting rooms. The richness of the fauna - pheasants, deer, wild boars and other animals, as well as a large number of protected and unprotected songbirds, represent a real wealth and provide the basis for the development of hunting tourism. Beautiful modern villa located in an idyllic location that provides everything you need to relax and escape from city life. Work on this project will begin in the fall of 2021, and the expected duration of work is until the end of 2022. The garden of 676 m² will house a villa with a total area of 212 m² on two floors. The ground floor consists of an entrance hall, space for technology and wardrobe, toilet, bedroom, bathroom, engine room, indoor summer kitchen, living room with kitchen and dining area and access to a large covered terrace which is connected to the garden where there is a beautiful infinity swimming pool. The special feature of this villa is the enchanting view of the beautiful landscape of nature and the sea. On the first floor of the villa there is an entrance hall and there are two bedrooms and each room has a private bathroom. All rooms have access to spacious terraces with beautiful views of the sea and nature. The entire villa will be underfloor heating using a heat pump, fenkoilers for heating and cooling and a solar system for hot water consumption. The green area will have automatic irrigation. This villa is a great opportunity for family life, a luxurious vacation from the stress of city life in the Mediterranean climate or as a financial investment for rent.
