Description

Description:	<p>The town of Crikvenica is, in fact, a sea riviera. Four small towns in one! The town consists of Selce, Crikvenica, Dramalj and Jadranovo, almost merged into a single series of tourist places. They are located along the Adriatic coast, in the Kvarner Bay. Administratively, they belong to the Primorje-Gorski Kotar County, whose headquarters are about 30 kilometers away from Rijeka. The city of Crikvenica is not just the mainland. The sea also extends into the waters of the Vinodol Channel, on an area of about 60 square kilometers. The century-old tourist tradition on the Crikvenica Riviera is a consequence of its excellent geographical position and good road connections. In this tourist pearl we are offering an exclusive villa located in the second row to the sea in a very attractive location. It is located a few steps from the sea and the city center. The villa is completely decorated. Five beautiful apartments, which are categorized in the service of tourist rental, give the new owners the opportunity to engage in tourism through the well-established business of the current owners. The property is categorized with four stars. It consists of 5 apartments: one one-bedroom, two three-bedroom</p>
