Description

Description:	<p>The town of Crikvenica is, in fact, a sea riviera. Four small towns in one! The town consists of Selce, Crikvenica, Dramalj and Jadranovo, almost merged into a single series of tourist places. They are located along the Adriatic coast, in the Kvarner Bay. Administratively, they belong to the Primorje-Gorski Kotar County, whose headquarters are about 30 kilometers away from Rijeka. Crikvenica can be reached in just about 15 minutes by car. It is known for its beautiful beaches and in the summer months for its many entertainment facilities. In the hinterland of Crikvenica, in a very quiet location, we offer a holiday house ideal for all those who want to spend their vacation in a natural environment. In the large yard that surrounds the building, children will be able to play while you spend your vacation relaxing in the outdoor pool. The house extends through two floors connected by an internal staircase that leads to the first floor of the house from where the bedrooms lead to a balcony with a beautiful view of the environment. The house is ideal for two families or a group of friends who want to spend their vacation together. On the ground floor there is a large covered terrace perfect for those who</p>

want to get out of the sun and have a refreshing drink. The interior is complemented by a large garden with an outdoor pool of 24m². Of the additional facilities the house offers a sauna and table tennis area. The facility is categorized with four stars and offers the possibility of tourist rental. ID CODE: 6915
