ISTRIA, ŠTINJAN Family house with sea view! Pula is the largest city in Istria, located in the southwestern area of the impressive landscape of the Istrian peninsula and is characterized by interesting cultural and historical heritage, beautiful nature and long breathtaking beaches. The city developed partly below and partly on seven hills. The moderately warm climate of mild winters and warm summers prevails, so it is an ideal place for potential property owners who will be able to enjoy them all year round. The property is located in Stinjan only 1000m from the first beaches. It spreads over four floors and has a total living area of 400m². It is the last house in a row and contains an additional plot of 298m² which is currently used as a garden and is irrigated from its own well. The residential part has two entrances and thus two separate housing units. The smaller residential unit located in the basement consists of a living room connected to the kitchen and dining room and two bedrooms. The smaller apartment also has its own parking space. The second separate entrance leads to the main part of the house, whose high ground floor has a living room connected to the kitchen and dining room, bathroom and exit from the living room to a spacious terrace. Upstairs are three bedrooms. One consists of a living area and a bathroom while the sleeping area is upstairs. The bedroom also has access to the terrace.
