peaceful Bribir. The total land area is 3169 square meters, of which 1025 square meters are designated as building land. Additionally, a successful application for rezoning has been made for an extra 1588 square meters, with the request already approved. Currently, it awaits an official change in the spatial plan to officially designate that part of the parcel as building land. Ultimately, this will result in an impressive building site of 2613 square meters. Additionally, the offer includes 424 square meters of agricultural land with a ruin. All these features present an extraordinary investment opportunity considering the square footage and construction possibilities. Part of the land is on a slope, part is flat. The land is partially cleared, and all necessary connections are nearby. This complex offers incredible flexibility and potential for creating your own space according to your desires and needs. Future owners will have the opportunity to fully utilize the potential of this land, creating a unique home or investment. Overall, this property represents an excellent ratio of investment to return, providing an opportunity for construction on spacious land with unlimited potential. ID CODE: 834
