Description

Description:	<p>ISTRIA, LANIŠĆE - Stone house for adaptation Čićarija is a limestone crown in the north of Istria. It is distinguished from the rest of Istria by its higher altitude and colder climate. Despite its vast expanses, Čićarija is a sparsely populated area that nowadays increasingly attracts tourists and hikers to the untouched nature. In the vicinity of the area of the same name, there is a magnificent view of the Buzet Valley and the surrounding settlements, as well as a famous climbing area for all adventurers and rock lovers. Čićarija abounds with many trails intended for hikers, walkers and cyclists. Far from overcrowded sea beaches, Čićarija offers a peaceful sleep, the freshness of the nearby slopes and forests, silence and truly a real vacation. In a small and quiet settlement, the last house in the row is for sale, size 30 m² and it extends over 2 floors + attic. The house needs adaptation. From the first floor there is a balcony with a view of the greenery and the surroundings surrounding the house. Electricity is brought to the house, and water is nearby. The roof, doors and windows are new. The house also has a shared yard for use. An ideal property to escape from the hustle and bustle of the city. Dear clients, the agency commission is charged in accordance with the General Business</p>
