Description

Description: For sale is an attractive building plot located in the picturesque surroundings of the town of Labin, only 3 kilometers from the Adriatic Sea and beautiful beaches. This land offers an extraordinary opportunity to build your dream, whether you are

thinking of building a family home, a cottage or a tourist facility. The location of the land near the sea offers a view of the surrounding landscape, creating an idyllic environment for enjoyment and relaxation. The distance from the town of Labin ensures peace and privacy, while at the same time enabling easy access to all the amenities and services the town offers. The land is suitable for various construction purposes and provides enough space to create a functional and comfortable living or tourist space. Due to its location, this piece of land represents an investment opportunity that combines natural beauty with potential for development. Do not miss the opportunity to become the owner of this extraordinary building plot near the town of Labin, ideal for building your home or an investment project. Start your construction adventure and make your dreams of living by the sea come true. ID CODE: 2000-1090
