Description

Description:

Island of Krk, Baška (surroundings) - Renovated house with two apartments The stone house in a row consists of four floors with a garden of 90 m², which is used as a parking lot, but it is also possible to make a smaller pool. The basement floor is an unfinished basement. The ground floor is a 1 bedroom apartment with its own entrance and consists of an entrance living room, storage room, bathroom, kitchen with dining room and a bedroom with access to a spacious terrace. The two-story apartment on the first and second floors consists of a toilet, bathroom, kitchen, bedroom, living room and terrace on the first floor, and the internal stairs lead to the second floor, which consists of two bedrooms and a terrace. The house was completely structurally renovated in 2020, when a reinforced concrete mezzanine structure, facade, and roof were made. Electricity and water installations were replaced and new PVC joinery with mosquito nets and aluminum blinds was installed. Two air conditioners are located in the apartment on the ground floor and on the second floor, and the thick stone walls ensure energy efficiency. The house is connected to the electricity grid, city water supply and sewerage. The property, which overlooks the hills in the hinterland of Baška and the Vela Rika stream from all three southwest-oriented terraces, is certainly attractive to lovers of living in nature. The highlighted price refers to the house without furniture, and it is also possible to buy a house with all furniture and equipment when its price is €166,000. Dear clients, the agency commission is charged in accordance with the General Terms and Conditions.
