Description

Description:	LUXURIOUS NEW BUILDING WITH A BEAUTIFUL VIEW OF THE CITY, THE SEA AND THE ENTIRE ZADAR CANAL! We present to you apartments
--------------	----------------------------------------------------------------------------------------------------------------------------

in a luxurious new building for business and residential use in one of the most frequented locations in the city, from which there is definitely one of the most spectacular views of the sea in Zadar. The building consists of a garage, exclusive business premises on the ground floor and 3 modern apartments on the 1st floor and a penthouse with a roof terrace on the 2nd floor of the building. It is well connected by road to all important city routes and corridors, and in the immediate vicinity there are all the facilities necessary for a quality and fulfilling city life and vacation. It is only a 5-minute drive from the city center and the first city beaches, while Zadar airport is a 15-minute drive away. P3 - 137m² - 3S+DB - INFINITY POOL The luxury penthouse P4 is located on the 2nd floor of the building and has a total net area of 137m², while its gross area is 169m². It has a southeast orientation. It consists of an entrance staircase (5.82m²), a master bedroom with a walk-in wardrobe (16.17m²), a bedroom (8.85m²), a study (8.43m²), two bathrooms (7.14m² and 1.84m²) and the luxurious open space of the kitchen, dining room and living room (38.13m²) from which we have a direct access to the roof terrace with an area of even 64m², from which, as we have already stated, one of the best views in the city, and the swimming pool (infinity pool) on the roof terrace will give you an additional feeling of luxury and comfort when you watch the sunsets from that place, for which Zadar is very famous! Along with the purchase of an apartment, the purchase of a parking space is mandatory, and there is also the possibility of purchasing an additional space in the garage: - G1 13m² - €30,000 - G2 15m² - €35,000 The building has a very modernist and attractive design, and the apartments will be equipped and built with top-quality materials and equipment, of which we highlight: - Facade thermal insulation from stirpor (10 cm) - First-class ceramic floor coverings with high profiles - Video portation and complete video surveillance of the facility - Heating with a heat pump - Air conditioners in the rooms and living room - Fire and burglary doors - Superior aluminum carpentry with electric shutters and mosquito nets - And much more... The planned completion of the works and occupancy are expected in June 2024. THE BUYER DOES NOT PAY TAX ON REAL ESTATE TRADE! A tour of the property is possible 7/7 by prior arrangement.
